Important Notice Regarding Stadium Entry Fees

Entry Fees to Dandenong Stadium are proposed to increase from 1 July, 2017 *.

Whilst every effort has been made to retain entry fees over recent years, the rising costs associated with the maintenance and operating of the stadium have made it necessary to increase entry costs for the first time in 3 years.

To assist with the proposed fee increase, the following concessions have been introduced:

- Introduction of concession discounts for Healthcare and Pension cardholders.
- Introduction of a family discount.
- Spectators under 12 years of age will be able to enter for free.
- Multi-visit passes will continue to offer a 10 per cent discount when 10 or 20 visit multi-passes are purchased.

Effective from 1 July 2017, the proposed entry fees will be amended to:

Entry fee:	\$3.00
Concession entry: (Pension and Health Care cardholders)	\$2.40
Family Pass: 2 adults and 2 children:	\$10.00
