

# Volleyball for the Village Beach Volleyball Marathon

Village Supplies is a charity that aims to improve the quality of education for Village children and teenagers in Nepal.

Apart from being a developing country, Nepal was hit by two devastating earthquakes in 2015, making life even harder. The recovery process is happening, but it is incredibly slow.

The next project for Village Supplies - Volleyball for the Village - is to provide sports equipment for the kids in Nepal. We aim to supply a range of volleyballs, soccer balls, skipping ropes and any other related gear we can manage, to enable kids in Nepal to play sports at school.

**We need your help!**

## How this works....

10 hours of continuous volleyball matches structured as follows:

20 x 30 minute matches - to be run on one court.

Teams of 5 players - teams may play more than one match if they choose - but will need to nominate additional hours available.

The highest number of points scored for a single match will receive a trophy.

Aim is for community involvement, fundraising and fun - not tournament as such.

## Team requirements:

- Complete a registration form (1 per team)
- Pay registration fee (\$25 for team of 5)
- Each player complete personal indemnity waiver form
- Each team nominate preferred times available - match schedule will be drawn up.
- Teams to be present at court 15 minutes prior to starting time.

The aim of this event is to raise awareness and funds for equipment, and to encourage teenagers, young adults and families to get involved in a fun sporting event that will have global benefits.
