2. **Ballarat Skins Tournament**                    **November 18 & 19**

**The series will be underlined by the following concepts:**

- Standard playing conditions and regulations will be the same across both tournaments
- The entry fee for each individual tournament will be the same @ \$395 per open team and \$100 for junior teams (entered in junior divisions).
- Teams can choose to enter only one tournament or to enter both at a discount
- Entry will be discounted from \$790 **to \$700** for open teams choosing to enter the same division in both tournaments
- In addition to each individual tournament offering their normal prizemoney, skins money and/or trophies, teams will accrue points for their results in the same division across both tournaments.
