

## **SPORTING SCHOOLS PROFESSIONAL DEVELOPMENT OPPORTUNITY 17<sup>th</sup>&18<sup>th</sup> of OCTOBER**

Volleyball Australia is pleased to provide this Professional Development opportunity to providers of Sporting Schools Volleyball Programs, Spikezone Coaches and Teachers. This is a 2-hour, practical session delivered by one of our Centre of Excellence Coaches.

The session will provide a brief look into each of the fundamental skills of Volleyball and how they can be taught to groups of children. This is a hands on session where participants work together under the guidance of the presenter to further their Volleyball knowledge. This session is **free** to attend and there are opportunities for questions as well as a takeaway handout at the conclusion of the session.
