

## **REFEREE ACCREDITATION**

On completion of the course associated exam, you will achieve a referee grading of "District Referee (Level 1 NOAS) with certificate and badge.

## **REFEREE REGISTRATION**

On successful completion referees will receive four years registration under the National Officiating Accreditation Scheme which is only attained after successful completion of the practical component that is explained below.

## **REFEREE CATEGORIES**

### **DISTRICT REFEREE**

This level is awarded following attendance at a National Officiating Accreditation Scheme (NOAS) Level 1 Refereeing Course and upon passing the NOAS Level 1 Refereeing Course theory exam.

### **REGIONAL REFEREE**

This level is awarded to District Referees following the successful completion of the NOAS Level 1 Refereeing Course practical component. This requires the referee to complete five (5) games as a first referee, five (5) games as a second referee, five (5) games as a scorer, and three (3) games as a line judge. (All quantities are minimum requirements). Three (3) of the games as a first referee and two (2) of the games as a second referee must be assessed by an Australian Volleyball Referees Commission (AVRC) recognised assessor, who will complete the AVRC-1 form and determine if the referee is competent in each performance. The five (5) completed AVRC-1 forms, along with three (3) completed scoresheets from the games as a scorer, must be forwarded to the Volleyball Victoria Referees Commission (VVRC). Based on the information submitted, the VVRC will determine if the referee should be awarded the grading of Regional Referee.
